

# America

in the Time of the End

*“Do you not remember that while I was still with you, I was telling you these things? And you know what restrains him now, so that in his time he will be revealed. For the mystery of lawlessness is already at work; only he who now restrains will do so until he is taken out of the way. Then that lawless one will be revealed whom the Lord will slay with the breath of His mouth and bring to an end by the appearance of His coming;” - 2 Thessalonians 2:5-8*

The United States of America has been a major force in the end time expansion of the Kingdom of Alohim throughout the world. The Holy Church in the United States of America, with the help of Alohim and His Hosts, is restraining the anti-Christ's appearance and reign. When she is spiritually strong she enables the Kingdom of Heaven to advance in the earth, when she is weak the Kingdom of Darkness surges forward. This writing is a collection of warnings from Adonoi to the United States of America and the Holy Church to that end, that she must be strong and loyal to Him, and to know that the world has crossed over into “the time of the end” spoken of by Daniel the Prophet.

The archangel Michael stood outside of an American man's prayer room; the man asked, *“Why is Saint Michael outside of the prayer room?”*

America is called to resist the lawless one.

In the time of the end the tribe of Judah is embracing the Messiah he betrayed (Genesis 44:18-45:7 and Romans 11:7-15). Consequently, the 11 “lost tribes” (the Holy Church) are embracing Judah. The merging of these two groups will result in the resurrection from the dead (Romans 11:7-15). The archangel Michael is prince of the people of Alohim, as these groups merge, it will be more apparent that he is over both. It is understood that Michael is the one who is restraining as he has been assigned with battling with the satan head on (Jude 1:9, Revelation 12:7). Daniel 12:1 states, *“Now at that time Michael, the great prince who stands guard over the sons of your people, will arise. And there will be a time of distress such as never occurred since there was a nation until that time.”* Michael rising is the country of Israel rising, when Israel rises to assert itself this will bring a great tribulation, such as has never been.

In this writing certain English proper names are replaced with the original Hebrew:

- Jesus is replaced with Yishu (for a full explanation on the pronunciation of His Name please visit: <https://nachum.online/wp-content/uploads/2026/02/On-the-Proper-Pronunciation-of-Mashiahs-Name.pdf>).
- God is replaced with Alohim.
- Messiah (or Christ) is replaced with Mashiah
- Lord is replaced with Adonoi<sup>1</sup>

**I**n November 1999, an angel of Adonoi said to a man, “*Get ready, it’s time.*”

On April 18, 2020, Adonoi instructed that same man saying:  
“*Prophecy through this vessel (a song called Rainbow that the man wrote) to your group, that the time is now.*”

The time referred to is the “*Time of the end,*” found in Daniel 12:

*“But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase (Daniel 12:4).”*

The prophecy of the song *Rainbow* is:

*Woe to you United States of America  
Woe to you who’s called the Land of the Free  
Woe to you United States of America  
You forgot who you were supposed to be (2x3)  
He’s calling sons and daughters  
He is the Living Water  
He’ll put your world in order  
come back to who you’re supposed to be*

*Bombs are dropping on you; here’s the reason why:  
You embrace homosexuality, and many lies;  
your governors love abortion, killing many lives;  
the murder tally has been counted, and it’s very high.*

*Black people dying; there’s no reason why.  
Racism thrives, and you won’t apologize;  
pastors do whatever people want to gain their tithes...  
the love of money has you compromised.*

*In the last days Scripture say they’ll be a time; that time is now.  
Are you going to bow when the music plays?  
Or will you be like Daniel and his three friends, it’s the time of the end!  
The anti-Christ is rising; I know that some pretend that the new world order government is just a trend;  
the United Nations is the new United States,  
don’t be ignorant to what they’re trying to put in place.*

*They make computer chips; they want it planted in our skin.  
To win, they think it’s not a sin, but brother, who is this?  
It’s nothing but the beast, don’t take that mark,  
they want you walking through the dark hoping that you don’t remember Revelation 13.  
These are hard times, forget stardom, get martyrdom on your mind.  
Follow the Lord Jesus, He frees us.*

Many years later from Daniel, the Apostle John was given a similar experience, in that he heard things that were not permitted to be released, but the time of the end was revealed, for the Angel of the true Rainbow around Alohim’s throne declared that time delays no longer,

*“Then I saw another mighty angel coming down from heaven, wrapped in a cloud, with a rainbow above his head. His face was like the sun, and his legs were like pillars of fire. He held in his hand a small scroll, which lay open. He placed his right foot on the sea and his left foot on the land. Then he cried out in a loud voice like the roar of a lion. And when he cried out, the seven thunders sounded their voices. When the seven thunders had spoken, I was about to put it in writing. But I heard a voice from heaven saying, “Seal up what the seven thunders have said, and do not write it down.” Then the angel I had seen standing on the sea and on the land lifted up his right hand to heaven. And he swore by Him who lives forever and ever, who created heaven and everything in it, the earth and everything in it, and the sea and everything in it: “There will be no more delay in the days of the voice of the seventh angel, when he is about to sound his trumpet, the mystery of Alohim will be fulfilled, just as He proclaimed to His servants the prophets (Revelation 10:1-7).”*

The Scripture declares,

*“in the last days terrible times will come. For men will be lovers of themselves, lovers of money, boastful, arrogant, abusive, disobedient to their parents, ungrateful, unholy, (2 Timothy 3:1-2).”*

There is a deeply intertwined connection between the current homosexual agenda and the revealing and reign of anti-Christ, the man of sin, the son of perdition. In these days we must cling to Adonoi Yishu more than we ever have before, and we must learn to work out our salvation with fear and trembling (Philippians 2:12), not fearing even death (Revelation 12:11). Resisting satan and his plans for this earth.

**Prayer: ABBA, please awaken my senses to perceive the time that I am living in, please give me a sense of urgency to live for You and to cling to You. Help me know that Your arrival is only a footstep away. In the Name of Adonoi Yishu, Amen.**

**II** On December 31, 2020, Adonoi spoke to a man and said:

*“Now is the time, Now is the time, Now is the time,”*

The messenger asked, *“Time for what?”* and the servant saw the face of President Biden pleased with a devious plan.

Soon after this, on January 25, 2021, Adonoi declared loudly to His servant,

*“Declare, the time has come, the hour is now!”*

The servant asked what was the meaning of these things? He was shown a TV that was three at the same time. A debate show that traditionally had conservative voices versus liberal voices, but now there was a third person who became the host, and he was a liberal voice as well. He began to dominate the show, teaming up with the other liberal voice and they both made the voice of the conservative commentator insignificant. Then a blue color with stars appeared and it said, *“Philadelphia Sixers,”* then one of the commentators said, *“76, 76, 76.”* This is in reference to the year of the Declaration of Independence, 1776, that occurred in the middle of the revolutionary war. The plan of satan is to divide the United States into civil war through the news, television, and social media, into two opposing sides that will be so filled with hatred for one another that a civil war would not be unimaginable. The citizens of the Kingdom of Heaven must pray and act as peacemakers during this time.

The Scriptures teach,

*“Blessed are the peacemakers, for they will be called sons of Alohim (Matthew 5:9).”*

As sons of Alohim, we should be on no political side, but on the Lord’s side, as it is written: *“Now when Joshua was near Jericho, he looked up and saw a man standing in front of him with a drawn sword in His hand. Joshua approached Him and asked, ‘Are You for us or for our enemies?’ ‘Neither,’ He replied. ‘I have now come as Commander of the LORD’s army (Joshua 5:13-14).”*

**Prayer: Dear Adonoi Yishu, Please help me choose You and Your Kingdom over the political affections of this world, and help me to be a peacemaker among men so that I can be called Your son. In Your Name I pray, Amen.**

**III** A servant of Adonoi saw a large decorated evergreen tree, like a Christmas tree, in the middle of a church sanctuary that captivated the congregation’s attention. A messenger was trying to display a message on the screen but the large tree was blocking the view. The tree is the United States of America.

On December 26, 2020, A man saw a vision of three trees standing next to each other and the one in the middle had been squashed. The messenger asked our Master, *“What is the mystery of the short tree?”* There appeared a tattered, torn, and faded American flag gently blowing in the wind.

On September 11, 2021, in a dream, a servant saw an evil tree with glowing eyes speaking doubts about Alohim from its mouth. It stared at the servant and hated him. The cloudy doubts were cut with a short sword like a dagger. The love of Alohim came down in the hand of the prophet as a crystal heart that was heavy and very, very warm. The prophet wanted to give the tree the love of Alohim, but knew it wouldn’t receive it or treat it right. And then the Spirit of Adonoi said, *“The tree is the U.S.”*

And again Adonoi said to His servant, *“There is no political divide in the Kingdom of Heaven, all are underneath Jesus.”*

Alohim explained to His servant that this is like a husband that had a wife that was having an affair with his good friend. He tried to confront his wife hoping she would say his friend was the initiator, but the opposite was true, she even confessed to kissing him when the husband asked her if she had.

The Scripture teaches,

*“Plead with your mother, plead— for she is not my wife, and I am not her husband—that she put away her whoring from her face, and her adultery from between her breasts; lest I strip her naked and make her as in the day she was born, and make her like a wilderness, and make her like a parched land, and kill her with thirst. Upon her children also I will have no mercy, because they are children of whoredom. For their mother has played the whore; she who conceived them has acted shamefully. For she said, ‘I will go after my lovers, who give me my bread and my water, my wool and my flax, my oil and my drink.’ Therefore I will bedge up her way with thorns, and I will build a wall against her, so that she cannot find her paths. She shall pursue her lovers but not overtake them, and she shall seek them but shall not find them. Then she shall say, ‘I will go and return to my first husband, for it was better for me then than now.’ And she did not know that it was I who gave her the grain, the wine, and the oil, and who lavished on her silver and gold, which they used for Baal. Therefore I will take back my grain in its time, and my wine in its season, and I will take away my wool and my flax, which were to cover her nakedness. Now I will uncover her lewdness in the sight of her lovers, and no one shall rescue her out of my hand. And I will put an end to all her*

*mirth, her feasts, her new moons, her Sabbaths, and all her appointed feasts. And I will lay waste her vines and her fig trees, of which she said, 'These are my wages, which my lovers have given me.' I will make them a forest, and the beasts of the field shall devour them. And I will punish her for the feast days of the Baals when she burned offerings to them and adorned herself with her ring and jewelry, and went after her lovers and forgot me, declares the Lord. "Therefore, behold, I will allure her, and bring her into the wilderness, and speak tenderly to her. And there I will give her her vineyards and make the Valley of Achor a door of hope. And there she shall answer as in the days of her youth, as at the time when she came out of the land of Egypt. "And in that day, declares the Lord, you will call me 'My Husband,' and no longer will you call me 'My Baal.' For I will remove the names of the Baals from her mouth, and they shall be remembered by name no more (Hosea 2:2-17)."*

**Prayer: Dear Adonoi Yishu, please help us to love you with our entire heart, and not partially. Forgive us for being adulterous, and putting the love of this world in our heart instead of your supreme love. Help me to be faithful to you only, in Your Name, Amen.**

**I**V On October 16, 2019 a man signed a settlement agreement with an employer. Prior to this settlement the man was sexually harassed by a prominent guest at his work place, he was an older man, and he was fully nude when the incident occurred. The man reported the incident to his management, and it eventually made it's way to the Vice President/COO of the company.

The Vice President said to the man that the guest was fully within his rights to do what he did, and that the man should not discriminate against homosexuals.

On January 3, 2020 the man was laid off with a settlement offer. Adonoi told the man not to take legal action against the corporation, but to take the settlement, which the servant of Adonoi did.

In January of 2020, the same man was watching a Christian broadcast on YouTube, and in the middle of the broadcast an advertisement came across that was overtly sexual in nature and promoted the homosexual lifestyle. The man was shocked and perplexed as to why he was seeing this ad.

On January 30, 2020 while in prayer the Holy Spirit showed His servant that just as he was targeted at his former job by a guest and was removed from that job because the administration did not value his safety or his human rights, and how the man desired to take legal action against them but He restrained him from doing so, so will Christians be targeted (as in the YouTube advertisement), and made to feel extremely uncomfortable by the homosexual rights agenda. Christians will desire to stand for their rights in government, but it will fail, only Adonoi Yishu will be a safe place for the true believer.

The Christian will be forced to choose between embracing the homosexual anti-Christ culture or face tremendous persecution. This judgment is coming very soon, it is already at the door. Christians must now surrender themselves fully to the counsel and government of Alohim to receive power from the Holy Spirit to stand as Alohim's representatives in the earth and to endure persecution.

The time is now to prepare for this test. Adonoi Yishu is baptizing those who are chosen in the boldness of the Lion of Judah in reclaiming the banner of His rainbow from the hands of the satan.

**Prayer: Dear ABBA, please help me walk with You, and talk with You, make me bold by Your Holy Spirit to stand up for what is Yours, and to not compromise with the wicked. As the Scripture says,**

*“Blessed is the man who does not walk in the counsel of the wicked, or set foot on the path of sinners, or sit in the seat of mockers. But his delight is in the Law of the LORD, and on His law he meditates day and night. He is like a tree planted by streams of water, yielding its fruit in season, whose leaf does not wither, and who prospers in all he does. Not so the wicked! For they are like chaff driven off by the wind. Therefore the wicked will not stand in the judgment, nor sinners in the assembly of the righteous. For the LORD guards the path of the righteous, but the way of the wicked will perish (Psalm 1).”*

**V** In 2006, a man saw a vision of Stevie Wonder, he had died but was resurrected with a demon possessing his body. He was dressed as the pope, in all white. He was greeted by many people, and many people adored him. He began walking around the White House with Barack Obama. Watching them walk down a corridor the room began to be bright and glowing, and then the Spirit of Adonoi said,

*“This is the anti-Christ.”*

**Seven years later** on February of 2013, during the Super Bowl (the “Blackout Bowl”) a series of commercials began to run throughout the game featuring Stevie Wonder dressed in white, as a voodoo priest, in the middle of New Orleans... **eight days later** something unprecedented happened, that had only happened twice before in the last 700 years (since 1294), the pope decided to resign and another pope was installed, this pope was pope Francis.

**Another seven years passed,** and on Saturday, March 21, 2020 the same man of Alohim saw a telecast of Sadhu Sundar Selvaraj on the Jim Bakker Show testifying that Adonoi Yishu had appeared to him, and revealed to him, very plainly, that pope Francis is the false prophet of Revelation 13.

The Scripture teaches that, *“By the mouth of two or three witnesses every word shall be established (2 Corinthians 13:1).”* It also teaches that the anti-Christ and the false prophet work in tandem with one another (Revelation 13) and will be killed with one another (Revelation 19).

On September 8, 2019, the Spirit of Adonoi said to the man,  
*“The Holy Ghost is messing up the Holy Orders (of Catholicism).”*

In Catholicism, the Holy Orders are divided into three offices: Bishop, Priest, and Deacon. This institution is going to be shaken in such a way that the Holy Spirit will have His way in the Catholic church and the administration of man will be seen for what it is, a false government.

On March 16, 2020, Adonoi said to that same man,  
*“The Lord is going to reunite the Catholic Church.”*

Adonoi is going to reunite Catholics with Himself. There is a realignment coming that will unite the true believers with one another despite their denomination. The bride of Mashiah will be purified in this time as Adonoi Yishu draws closer.

Two days later on March 18, 2020, Adonoi asked the man,

*"Where is satan's throne?"*

Then the man saw a vision in which he was racing through the earth and stopping at Vatican City where the pope sits. Scanning the globe and seeing the Sec of Rome. The prophet said, *"I have not heard it to be anywhere else, currently."* Then he saw a meeting of the Roman Catholic governing body; one man stood up and began to deflect from the others there, speaking up for the truth. These leaders were closely connected to the government and did not condone the man's behavior at all, they tried to make excuses to ancient bureaucrats for his embarrassing action. During this Adonoi spoke and said,  
*"Satan's kingdom is very organized."*

The governments of this world are influenced and ran by satan. When the Church is influenced by the government (and not the other way around) that Church is heavily under the influence of satan.

Adonoi says:  
*"Come out from under her!"*

The Scripture says,  
*"Then I heard another voice from heaven say: 'Come out of her, My people, so that you will not share in her sins or contract any of her plagues (Revelation 18:4).'"*

and in another place,

*"Therefore come out from among them and be separate, says the Lord. Touch no unclean thing, and I will receive you (2 Corinthians 6:17)."*

Catholics will reunite when they realize that the pope is underneath the influence of the anti-Christ; the true lovers of Yishu will then run to Him as the Church's true Head.

**Prayer: Dear Adonoi Yishu, give me eyes to see the truth of the Roman Catholic pope and his agenda, and I pray for those underneath his authority to run fully into Your arms.**

**VI** A man saw a vision of a certain church's lobby, and a pastor was walking with a smug look on his face. He changed into a certain wife and got in a line in front of a "step & repeat" for an event the church was having, cup of coffee in hand, still smiling.

Then Adonoi spoke in a loud voice and said,  
*"Hypocrites! Tossed about by every wind of doctrine! When a church service has coffee you complain { that the service is not your preference }; when you leave that service { for one that has your preference } you complain { because the amenities you left are gone }."*

A man of Alohim saw a Communion Chalice lifted up in the sky with majestic clouds before the Presence of Adonoi.

The cup is a believer who is 100% dedicated to Adonoi Yishu, but his cup of love for Him was not perfect, in the wine there were black flecks of charred timber. The flecks were distractions from the world that kept the person from pure intimacy with Adonoi Yishu. The flecks were idols that the believer decided to have remain in his life.

The messenger asked within himself, *"How is this possible?"*

Adonoi declared that He strongly desires,  
“Unfeigned love.”

- The Pastor/wife represents the bride of Mashiah/the Church.
- The Communion Chalice represents marriage and union with our Master. The black flecks were charred because the believer’s heart is calloused by his love for his idols.
- The certain church that I saw, and others like it, are numb and apathetic to the heart of Adonoi; they prefer their own wisdom and strategies over loving Adonoi with sincerity and listening for His voice to guide them.

Singleness of heart and a return to first love needs to arise in the heart of the Church. The Scriptures teach that:

*“The light of the body is the eye: if therefore your eye is single, your whole body shall be full of Light (Matthew 6:22).”*

and also,

*“Nevertheless I have something against you, because you have left your first love. Remember then from where you have fallen, and repent, and do the first works; or else I will come to you quickly and will remove your candlestick out of his place, unless you repent (Revelation 2:4-5).”*

In this hour Adonoi Yishu desires a deep repentance in His Bride, so that there is room for a deeper love for Him in her heart. Let us confess that we have been hypocrites, and hard hearted; listening to the doctrine of our distractions instead of the Call of the Bridegroom.

Let us renounce our hypocrisy, personal preference and worldly distractions that keep us from a pure intimacy with our Master Yishu, and ask Adonoi to give us an “unfeigned love” for Him.

**Prayer: Dear Adonoi, please forgive me, I am sorry for cheating on You and being numb to Your heart. I do not want my idols and distractions any more, I just want you. Please give me an unfeigned love for you. In Your Name I pray, Amen.**

**VII** The Spirit of Adonoi told His servant:  
*“It says, the Scriptures that you read of speak of Me, I YAHWEH, came to die.”*

Adonoi Yishu has said,

*“Because of this, the Father loves Me, because I lay down My life, that I might take it again.*

*No one takes it from me, but I lay it down of my own accord. I have authority to lay it down, and I have authority to take it up again. This charge I have received from my Father (John 10:17-18).”*

And the Apostle Paul writes:

*“I am not ashamed of the gospel, because it is the power of Alohim for salvation to everyone who believes, first to the Jew, then to the Greek (Romans 1:16).”*

The trials of the time of the end are very close but through the testing we must maintain loyalty to Alohim and preach the Good News even in the darkest of hours. Hear what Adonoi has told His servant,

*“Storms may come and go, but I, YAHWEH, endure them all.”*

Proverbs 18:10 says, *“The Name of YHWH is a strong tower; the righteous run to it and are safe.”*

We must not be discouraged in the coming trials but know that the Kingdom of Heaven is able to shine forth in splendour through the darkest times. We must ready ourselves to work in the harvest of souls.

**Prayer: Dear ABBA, please give me strength to endure hard times and trials, and increase my faith in your tender love and compassion towards me and all of your creatures. Help me to believe wholly in the Good News of Yishu haMashiah and to tell others about Him. Amen.**

**VIII** In the summer of 2015, the Holy Spirit gave a man a dream in where he was observing the Gold building in downtown Hartford, CT, he was elevated from the ground. The only thing he knew was that Donald Trump was the president of the United States of America. He could hear the traffic below himself, and then an explosion of great measure happened. It was extremely loud and it pierced his ear. Waking from the dream with his ear in physical pain, the man was shaken and scared and thought that the explosion had really happened. It took a minute or so for him to realize that it had not.

Jeremiah 19:3 says, *“Listen! I am going to bring a disaster on this place that will make the ears of everyone who hears of it tingle.”*

The man went to work with his ear still in pain from the explosion that he had heard in his dream. The man called his sister, and much to his shock she said that their father had a very similar dream the same night. Later in the week the man went to his father’s house for Sunday dinner. He said, “I hear that we have had a similar dream.” The father began to explain that in his dream he was at the Hartford Public Library and bomb sirens were going off, and that he had to lead people to the basement of the building. The man’s brother chimed in and said that he too had a dream that same night about a nuclear bomb. The man looked at his father and jokingly said, “I guess we gotta get out of here.” He looked at his son very seriously and said, “We need to tell people about Jesus.”

The Bible tells us what it means when a dream is repeated in Genesis 41:32,

*“And the dream was repeated to Pharaoh twice because the thing is established by Alohim, and Alohim will shortly bring it to pass.”*

Why will this happen? Adonoi has given many visions concerning America’s love for an overly sexualized society, its tolerance of sexual perversion, and its agreement with the homosexual agenda.

These things displease Adonoi and we must repent of our sin and believe in Adonoi Yishu. You may ask, “What does this all mean, and how should we respond?” In scripture we have many examples of judgments that have happened to nations. The only acceptable response is to humbly repent before Alohim. An example of this would be what the King of Nineveh did when he heard the Word of the Lord through the prophet Jonah.

The Ninevites believed Alohim. A fast was proclaimed, and all of them, from the greatest to the least, put on sackcloth. When Jonah’s warning reached the king of Nineveh, he rose from his

throne, took off his royal robes, covered himself with sackcloth and sat down in the dust. This is the proclamation he issued in Nineveh:

*“By the decree of the king and his nobles: Do not let people or animals, herds or flocks, taste anything; do not let them eat or drink. But let people and animals be covered with sackcloth. Let everyone call urgently on Alohim. Let them give up their evil ways and their violence. Who knows? Alohim may yet relent and with compassion turn from his fierce anger so that we will not perish (Jonah 3:5-9).”*

That is an example of an acceptable response to Alohim’s warning of a coming judgment. Will you respond in this same fashion?

On June 6, 2020 the same man of Alohim was in a vision flying over a city with a building that had a white dome, all of a sudden a giant red mushroom cloud appeared because of an explosion.

On June 24, 2020, the man asked Adonoi, *“How should I prepare for the storm?”* He only saw a giant red mushroom cloud that occurs after a significant bomb is dropped.

On June 26, 2020, the same servant asked Adonoi, *“How should I respond to this storm.”* After a series of dreams as the man woke in the Spirit the messenger of Adonoi said,

*“It (mercy) is only for those who have found favor.”*

Again on July 11, 2020, while in prayer, the man saw a vision of a giant mushroom cloud as a gray scale image.

On July 31, 2020, the same man woke from sleep, and was given the emotions of a relative that lives in the same state as he does. The man saw in his midsection a vision of an explosion that he could feel in-folding inside of himself over and over again. The man was trapped and he could feel his relative crying, “Why didn’t I tell people, and I knew it was coming.”

On August 6, 2020, a messenger of Alohim said to the man,

*“There are four kinds of judgment appointed. Those appointed for famine to famine. Those appointed for beasts to beasts. Those appointed for sickness to sickness. Those appointed for soldiers to soldiers. And those soldiers they are coming, rrrright now.”*

This message echoes Jeremiah 15:2, where it reads:

*“If they ask you, ‘Where shall we go?’ you are to tell them that this is what the LORD says: ‘Those destined for death, to death; those destined for the sword, to the sword; those destined for famine, to famine; and those destined for captivity, to captivity.’”*

On August 7, 2020, in a dream, the man saw an explosion.

On August, 11, 2020, while in prayer a man saw a building similar to the Supreme Court of the United States of America, he saw it smoking and tattered, as if after a terrible explosion.

On August, 28, 2020, the same servant received a counsel from Adonoi in which He said,

*“It is not whether you are good or not. It is my will that determines whether you will be judged.”*

On August 30, 2020 the same man saw, a map of the United States and the country was burnt and dry, from famine and from a nuclear explosion.

On September 3, 2020, the servant of Alohim was given a dream in which he saw a giant puzzle map of the United States of America. Almost all of the States were shaken off of the map. A man had Kentucky and Tennessee in his hand, attempting to put it back in its place, he managed to see Connecticut and the Northeast being put in place. They were trying to flip the map back right side up, they attempted several times. As the man woke from this dream he saw in the Spirit a great fiery red cloud from an explosion.

On September 5, 2020, the servant of Adonoi saw a map of the United States of America. He was flying over the map and saw the areas of the country that had been invaded. As the man flew he said, "The invasion wasn't so bad." Certain regions of the country were completely invaded which was indicated by a yellow color highlighting those states. Other regions specifically the midwest were only spotted with dots of yellow, it was when the man observed these dots that he said, "The invasion wasn't so bad." Certain regions of the country however, were completely yellow indicating an invasion.

On September 9, 2020, the same servant was given a dream that was great in definition and clarity. There was a messenger in a great building, like a civic center, with a pastor. The messenger flew over to the pastor and stood by him on a great walk way above the lobby area. The man happened to turn around and look out of a very large window, in the distance about five miles away, he saw a great mushroom cloud with red dirt and white smoke billowing. They both stared at it in wonder, as he continued to look he saw that the explosion was growing, and then he realized that he had not heard any explosive sound. The servant quickly realized that he had heard no sound because he was in the "drop zone." The messenger turned to the pastor and said, "This is an atomic nuclear explosion, tell the people to flee." As soon as he said this, thousands of people underneath them began running in the opposite direction of the explosion. This dream was very vivid and in great clarity. The man of Alohim woke from this dream into another dream; he knew that this dream had occurred in the Holy Spirit within himself and not only in his soul.

**Prayer: Dear Adonoi Yishu son of Alohim have mercy on me, a sinner. Master may you please soften my heart and grant me favor before You, for by Your will do we exist, and for Your pleasure were we created.**

**IX** On October 3, 2020 Adonoi Yishu said to a man, "You (the United States of America) are about to go to war with China."

On October 18, 2020, the man had a dream that there was a war with China and a plan to reset the world's economy.

On October 29, 2020, the man saw in a vision, a cockpit of a jet fighter above a great land mass, like a continent filled with green mountains. There were three mountains, labeled: "Russia" "United States," and "China." China and Russia were pressing the US on both sides (see chp III, par 2). There was an expectation of bombs to rain down.

The servant of Alohim had two dreams in the month of October 2020, in which the Chinese were in control of local American communities.

On November 6, 2020, the same servant, saw in a dream, an airplane where a young Chinese man was explaining to him that there is a new technology that will change the world through civil war. It was a giant wave of electricity going over the sea that had the power to turn everything off and to turn everything on.

The Scriptures teach us that when the people of Alohim turn against Him, He brings an ancient nation against them, as it is written: “

*Behold, I am bringing a distant nation against you, O house of Israel,” declares the LORD. “It is an established nation, an ancient nation, a nation whose language you do not know and whose speech you do not understand (Jeremiah 5:15).”*

**Prayer: ABBA, please prepare me in Your Holy Spirit to not trust in earthly things so that I may have understanding, peace of mind, and discernment. Help me to cling to Adonoi Yishu in all things. I repent, I will change my habits, and seek Your face. In Your Name I pray, Amen.**

The Word of Adonoi Yishu concerning the United States of America, a burden received in a vision:

The servant of Alohim saw in a most vivid dream, a brown rocky mountain whose top reached into the heavens through soft, gentle clouds, a Chinese prophet, who lives in Heaven, came down from the top of this mountain to address the citizens of the United States of America. The people were as shadows as vast as a sea.

The prophet said,

*“Thirty weeks have been determined; these weeks are unmoved [...]. If you had loved those that are different than yourselves instead of choosing to stay comfortable within the circles that you know [...]. You should have been at the end of the Bridal robe, instead you are still at the beginning [...]. You should have turned to the Lord Alohim who, with His warm Hands, formed an animal from the ground as a baby, until it is fully grown [...].”*

Then the man saw a news room with an anchor, that looked like Robin Roberts. She was hosting a show with two others. She was going to show a clip from a conservative show host that had interviewed a liberal campaigner that she had interviewed on her own show, and that this conservative host used her questions (the ones that the campaigner didn't like) to disturb him and get him to come out of his character. Then the Robin Roberts like host showed the clip.

The conservative was hosting his show while driving a taxi cab, the liberal campaigner had a red beard with grey streaks in it, and sat on the floor. The driver asked him, “Has anyone ever asked you this before?” To which the campaigner expressed his frustration, coming out of character. The servant of Alohim laughed at seeing this.

Each person in this dream was judging and criticizing one another, showing the mind of the United States of America that the prophet had spoken of.

Then the man of Alohim saw that there were giant pages of a book that was many Bibles combined into one. There was a knife moving by itself, cutting the pages out of the Bible that were outside of the Apocrypha.

Adonoi said to the man, *“Remove the pages that are not in the Bible.”*

Then three pages were cut out with an Exacto knife. When the servant woke up he went to his library and picked up his Septuagint Bible, and got an Exacto knife. He cut out the last page of Enoch from the book, and to his surprise, on the other side of the page, was the Song of Moses from Exodus. Adonoi Yishu prompted him to cut the next page, which included the Song of Moses from Deuteronomy, but when the servant went to cut the third page, that had the last remaining paragraph, Adonoi prevented him.

### **The meaning of the dream is this:**

On one side of the page is writing from a book outside of the majority of Christian Bibles. It pronounces judgment saying, “From the mountain on which they made a vow they also condemned their neighbor.” The last line of this writing is, “do not think that you will escape these things.”

On the other side of the page is writing from a book that is in all Christian Bibles. It is a song of the people of Alohim praising Him for delivering them from their enemies and sheltering them from His judgments upon them. The last line of this writing is, “the children of Israel went through on dry ground in the middle of the sea.”

Alohim is putting two ways before us: There are those Christians who are not in a church, and those Christians who are. There are those Christians who remain in the sheepfold and those who do not, and as our tongue has spoken both vows to Alohim and condemnation of people, the page of writing has on it, both, no escape from judgment, and safety in the midst of judgment.

The servant of Alohim prayed to Adonoi about what else was to be know about this matter. Adonoi told the man,

*“Have you thought about this?”*

As the man continued to pray and ponder upon this he saw an Exacto knife, and it was approaching the back of his tongue to scoop it out. A still small Voice said,

*“The tongue (that is double tongued) should be cut out!”*

The servant immediately repented and asked Adonoi for His mercy and forgiveness, for he himself had made vows to Adonoi from within his own house that sits on top of a small mountain, and then later from within the same house criticized his neighbor.

A few minutes later, the man began writing down the message. As he was writing, a judgmental thought of how people should respond to this message came into his mind. No sooner that he had thought this, that he again saw the blade of the Exacto knife pressing against his tongue, about to cut it down the middle. Adonoi was again declaring,

*“The [double tongued] shall be cut out!”*

When Adonoi was determining the destruction of Sodom and Gomorrah, they were not merely condemned for their sexual perversion. Before it grew into a city full of sexual perversion, it was continually choosing the comfort of self pleasure, and a heart that thinks little of others:

*“Behold, this was the guilt of your sister Sodom: she and her daughters had arrogance, abundant food and careless ease, but she did not help the poor and needy. Thus they were haughty and committed abominations before Me. Therefore I removed them when I saw it (Ezekiel 16:49-50).”*

As individuals, and as a nation, the United States must repent of this heart attitude and behavior, and must seek Adonoi Yishu only and bless Him. The United States must discontinue its condemnation of one another. If she does this perhaps Adonoi will be gracious and shorten the days of her judgment.

**Prayer: ABBA, please pour out Your Spirit of Grace and Supplications daily upon the people of the United States of America, for:**

*“No one can tame the tongue; it is a restless evil and full of deadly poison. With it we bless our Lord and Father, and with it we curse men, who have been made in the likeness of Alobim; from the same mouth come both blessing and cursing. My brethren, these things ought not to be this way (James 3:8-10).”*
